

Team FEAR Junior Challenge Sponsorship Form

I am competing in the Discovery Bay Team FEAR Junior Challenge in Discovery Bay.

This is a team event for young people aged between 8 - 15 yrs and involves trail running, scrambling, kayaking, coastering, and other special challenges. I would be very grateful if you could sponsor me to complete the race.

The money raised is being collected by the organising committee and will be donated to local charities for under-privileged children and the needy in Hong Kong, in particular Youth Outreach. There is also a prize for the most money raised.

Thank You!
